

**WHEN THE STAY IS GREAT  
THE PLAY IS GREAT!**

## TOURNAMENT & EVENT HOUSING

- **Branded & customized web portals for each of your events**
- **One link to book all hotels in your event block**
- **Detailed & instant reporting & history for your next event**
- **Customer service available via phone call, text or email**

**FREE:** There is no cost to use us. We're paid a small commission by hotels & our buying power brings lower rates than teams get on their own.

**REBATES:** We collect these upfront, not the hotels. You set your rebate amount & get paid with one check within 30 days of your event.

**MARKETING DATA:** Players book through our portal - not the hotel. We collect contact information for everyone who books through us so you can use it for marketing. Grow your email lists to target players for teams, tournaments, camps & showcases.

**BIG OR SMALL:** We work with clubs & events of all sizes & we don't require a "stay-to-play" model. There is no minimum # of teams required for your event to partner with us.

**ANNUAL CONTRACTS:** None! You & your club work with us because you want to, not because you're forced into it.

**CVB's & SPORTS COMMISSIONS:** We partner with most CVB & Sports Commissions to ensure you collect all funding & sponsorship opportunities possible.

**PROMOTION:** We promote your event through our partnership with [playeasy.com](http://playeasy.com), our website, social media feeds & sports networking sites. You win? We win!
